

# The Power In Painting Still Life

with Lorelle Bacon

Saturday May 25<sup>th</sup>, 10 to 4

\$125 A3L members, \$135 nonmembers, plus \$20 supply fee

In this workshop we will be getting up close and personal with your subject. **You will paint three small pieces in this all day workshop.**

One will have a **focus on values**, another on use of **complimentary colors** and a third will have the **focus on glazing**.

We will focus on realism and details. If you enjoy "being in control", then this is the workshop for you!

You will learn how to know what to leave out and what to include from your reference photos. We will be painting with Acrylics for the fast drying time, but what is learned may be applied to any medium. You will also learn the magic of glazing!

Bring a lunch, notepad and a willing spirit and enjoy the day with other creative people!
