

Stained Glass Iris Suncatcher with Catherine Bruggeman

Thursday, June 13th, 1 to 4:30

\$32 A3L members, \$42
nonmembers, plus \$15 supply fee

This simple yet striking vision of our blue ridge mountains is a permanent overlook!

Glass is precut. Students will clean, foil, flux, and solder their round.

Students will learn to add a lead border and any hardware to hang.

All supplies are included.
