

Glass in the Garden Workshop Series

May Day Glass Spinner

with Catherine Bruggeman

Wednesday, May 1st, 12 to 4:30

\$38 A3L members, \$48 non-members, plus \$18
supply fee

Build a beautiful spinner- use inside or out, great on
a porch or on a
shepherd's hook!

Students will use precut
glass to construct a
spinner in sections on a
jig. Students will clean,
foil, flux and solder glass
then add hardware. All
supplies and spinner
hook included.
