"I missed your stained glass class - class!"

- If you have wanted to learn the basics of stained glass and walk away with a beautiful sun catcher, this is the class for you.
- if you have a project in mind that you want to learn to cut and complete, let's do it!

There are many pre-cut patterns ready to assemble and learn the basics.

If interested in this class, text Catherine at 910-915-9104 for a current list of kits to select from or... send me your wish list.
