

# Sphere Pottery

with  
**NEW INSTRUCTOR**  
Blair McKee

Part 1: Tuesday, June 4<sup>th</sup>, 1:30 to 4:30

Part 2: Thursday, June 6<sup>th</sup>, 1:30 to 4:30

Part 3 (glazing): Tuesday, June 18<sup>th</sup>, 1:30 to 4:30

\$180 A3L members, \$190 non-members, plus \$8 for clay; studio time and instruction. tools, balloons, and storage will be provided. Students may use their favorite personal glazes or for \$11 I will provide Amaco glazes.

Minimum 3 students, maximum 8

From bowls to vases, masks to jars, balloons offer an infinite array of hand building opportunities.

The first balloon workshop will focus on the technique of draping 3/8 inch slabs of clay over balloons to create bowls or lanterns of different sizes.

Interested individuals should have intermediate pottery skills: hand building with coils and slabs, scoring and slipping.
